**Commissioner for Patents**

This communication is in response to applicant's IDS of 7/29/2005. The IDS was filed after the mail date of the Notice of Allowance. Therefore, the IDS filing falls under 37 CFR 1.97(d). Under that provision of Rule 97, applicant must meet the following requirements to have the IDS considered:

- (1) Statement specified in paragraph 37 CFR 1.97(e), and
- (2) Fee as set forth in 1.17(p).

Applicant has failed to meet requirement (1), supra. An international search report is noted, but that search report is dated 1/11/2005, which is more than the 3 months set forth in 37 CFR 1.97(e)(1). Additionally, applicant does not state that the international application was a COUNTERPART foreign/international application. Mere "related application" does not suffice.

Therefore, the IDS is untimely, and it cannot be granted entry or consideration.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to JOHN PAK whose telephone number is (571)272-0620. The Examiner can normally be reached on Monday to Friday from 8 AM to 4:30 PM.
